SUMMARY

Full-Stack Developer specializing in the MERN stack, with hands-on experience building responsive web applications and REST APIs. Experienced in React.js, Node.js, Express.js, MongoDB, authentication, and role-based access control. Built full-stack projects including a civic issue management platform and an AI-powered learning management system.

TECHNICAL SKILLS

Languages: Java, JavaScript
Frontend: React.js, Tailwind CSS, HTML5, CSS3
Backend: Node.js, Express.js, REST APIs
Databases: MongoDB, MySQL
Tools & Platforms: Git, GitHub, Postman, Cloudinary

EXPERIENCE

TechnoHacks Solutions Pvt. Ltd.

May 2025 – June 2025

Full Stack Development Intern

Remote

- Built full-stack web applications using the MERN stack, focusing on real-world project implementation.
- Developed authentication systems using JWT, implemented CRUD APIs, and optimized frontend performance.
- Collaborated with developers to enhance project functionality and improve user experience.

PROJECTS

Civic Issue Management System [🔗](#) | MERN Stack

- Developed a MERN-based civic issue management platform allowing citizens to submit issues with descriptions, images, and locations.
- Implemented JWT authentication and role-based access for citizens, departments, and administrators.
- Built department-wise and admin dashboards for issue tracking and management.
- Integrated real-time chat functionality for communication between users and administrators.

AI-Powered Learning Management System (LMS) [🔗](#) | MERN + AI

- Developed a MERN-based AI-powered Learning Management System with personalized learning features for students and instructors.
- Implemented AI search, Google authentication, and dashboards for students and instructors.
- Built separate student and instructor dashboards for managing courses and learning activities.
- Integrated Razorpay Payment Gateway in Test Mode with UPI QR-based payment functionality for the course purchase flow.

EDUCATION

Centurion University of Technology and Management

Sep 2022 – April 2026

B.Tech in Computer Science - CGPA: 9/10

Gajapati, Odisha

CERTIFICATIONS & ACHIEVEMENTS

- Winner (Cyber Safety Hackathon) – IIT Bhubaneswar (State-Level) [🔗](#)
- Winner (Project Expo) – TechUtsav 2025, Centurion University [🔗](#)
- 3rd Winner (Hackathon) – TechUtsav 2025, Centurion University [🔗](#)
- Data Structures Training Certificate – GeeksforGeeks (16 weeks CUTM Program) [🔗](#)

EXTRACURRICULAR ACTIVITIES

- Participated in college hackathon collaborating with a team to develop an innovative web application.
- Contributed to AI and full-stack academic projects, strengthening practical problem-solving skills.
